Any Other Business

Audrey reported that the PA has purchased a lot of new equipment recently, to keep this equipment in good condition for school events, it was agreed that the PA would lend it at their discretion for other school events.

Catherine McCormick reported that Year 2 had a picnic in the park last week with over 24 families attending. It was such a success, it was suggested that everyone could meet during the summer holiday’s on a Wednesday from 12.00, the park agreed was Weybridge Park (behind high street, nr Library) as it suited all age ranges!

Julia wanted to say a big thank you to Audrey and Karen for the first year as PA.

HAVE A GREAT SUMMER!
