Parent’s Information and Welcome Pack This gives families all the information they need regarding Shout courses. Please make particular note of the terms and conditions of booking. You will receive the pack upon payment for your bookings.

Course confirmation Please pay particular attention to the start and finish times of the courses you have booked. Once we have received payment, we will send you confirmation and a medical and consent form by the method you chose to receive correspondence when you registered your children. We advise you to check both documents thoroughly.

Venue Opening Times Please note that all venues will open ten minutes before the scheduled start time to allow adults to sign in their children promptly and ensure they get the most out of their day. However, adults must stay with their children until the scheduled start time of the course.

What children need to bring Children should bring lunch, snacks and a water bottle that can be refilled to keep their energy up during the day. Please note there are no fridge facilities on any site. Children should dress appropriately for the courses they are attending. We recommend sensible clothes, trainers, a hat, sun cream and waterproofs. For outdoor courses, we recommend that children should wear long trousers and clothes that you do not mind getting dirty. A spare change of clothes would be useful but is not essential. For children using medication, please ensure that any medicine is suitably labelled and packed.

Call the Shout! Booking Line on 01372 474634 to reserve your course(s). Your child’s more card must be valid before booking.
