Actions from the Last PA meeting

PA Disco

This was a huge success and we will hold 3 discos next year.

A big thank you to the Year 1 Reps who organised the event.

Ms Keany reported that she had received lots of negative comments from local residents and the police regarding parking issues. A discussion took place about how future events can be managed better without too much disturbance to local residents.

Emma (Green) will contact the council again about reduced rate permits for the Severn Drive Estate.

Burhill Ball

Caroline has yet to attend so has nothing to report, as yet.

Kitchen Renovation

Ms Keany has yet to action and will report back at the next meeting.

Summer Picnic – Friday 20th May
