

Cardinal Newman Catholic Primary School

4th May Summer 1 Week 3

KEEPING IN TOUCH

OPAL Class News

It was lovely to be able to chat to lots of you and hear what you have been getting up to, from learning the guitar to researching American Presidents. Please continue to email me via the office with pictures of your work or things you have got up to. I love receiving them as it makes me feel involved with your learning. I am really proud of you all.

If you are getting a little tired of Joe Wicks then give Jumpstart Jonny a go. I was in school last week and he was a firm favourite.

This week sees the 75th Anniversary of VE Day, the day that Nazi Germany surrendered to the Allied Forces. We have some great activities planned so we can celebrate together as a school community.

Congratulations to Peter, Odhran and George for their amazing performance on TTrackstars. A new TTrackstars battle has been set by Mr Joice and we can't let Coral beat us again, so please battle as much as you can!

Science looks pretty egg-citing this week. Enjoy your "egg-speriments" and let me know if you need anything egg-splained. (I'll stop now...)

Finally, Mrs Driessen in Coral class has made us a beautiful rainbow which we will proudly display on our RE board as a reminder that we are all part of an amazing community.

PARENTS:

Thank you for taking the time to take my calls. It has been great to chat to you and hear what you are all getting up to and how you are making the home learning work for you and your family. The main thing is we don't want school work to be an added stress during this time of uncertainty. If the timetable issued works for you, then great, if it doesn't then don't worry. I know the children will be developing a whole host of life skills in many different ways. Thank you for all your support.

Maths is changing slightly. From this week there's a learning video on the White Rose Website web page to watch and a link to that day's BBC Bitesize page for more information and even more lesson content. The school has a subscription to White Rose Maths resources so you can continue to use it at home with your child and worksheets will be available on the school website with this Newsletter.

Please remember to consider e-safety when children are working online.

Enjoy the long weekend!

Mrs Simpkin

Learning this Week

English:
Hamilton Week 5

**Maths: White Rose Summer
Week 3**

RE: Pentecost

Science: Egg-citing Science.

Foundation: Music

**Computing: Purple Mash
Coding**

Topic: VE Day

Happy Birthday to:

Ciaran
