

Cardinal Newman Catholic Primary School

Summer 1 Week 5

KEEPING IN TOUCH

Violet Class News

CHILDREN:

I can't believe it has been nearly two months since I have seen all your smiley faces walking or sometimes running in my door every morning. I have to say it is one of the things I am missing most. When I open that door every morning I feel very lucky to be your teacher. I hope you are all continuing to keep safe. I flew back to London last week. It was a bit strange to see Heathrow airport so quiet. However, I am very happy to be back with my flat mate Fiona, we went for a run over the weekend. I am obviously missing my family a little bit but I know I will see them again soon.

I have seen so many pictures of you all working so hard and I am bursting with pride! It is wonderful to see the fantastic Science experiments happening along with baking, Maths, writing and art work. I know some of you are keeping all your work in folders which is such a clever idea. Remember to keep it safe. This week and during half-term I will be looking at some of the writing you are doing. I will be able to let you know what I think! I can't wait to read your work because I know you have all been working really hard. Remember, super neat handwriting. I hope you got on well with your X4 tables. I have kept them on for this week as they are quite tricky and I want you to know them really well.

This week is also very special because we have been invited to join Father Bill whilst he leads The Feast of Ascension Mass for the whole school. Before Thursday, please watch this brilliant lego video that explains what this day is. <https://www.youtube.com/watch?v=nnRJ4cZQIE>. It would also be lovely if you could set up a prayer table and light a candle before the mass starts.

PARENTS: Yet another week down! I have started my phone calls again, I hope to reach you all before Friday. Please do let me know if there is anything I can do to help your home learning situation. It is wonderful to see all of the hard work your children are doing, I have loved seeing the photos. I will not be replying to each email individually but I see it all and it only makes me miss the children even more. Please make sure you complete the internet safety work with your children this week. I have set some word related to this on Purple Mash. At the time of writing the national situation for reopening is unclear. The senior leadership team are making arrangements for our individual context at Cardinal Newman and will be in touch with you as soon as there is concrete information to share. Thank you for your patience during this challenging time.

Sending love to you and your families,

Miss Nolan

Learning This Week

Additional Ideas for Topic Work :

Topic Week 5 : Special People

A saint or a character from the Bible

Choose one of the following activities:

- Write an account of their life
- Make a fact file about them
- Make a story board or cartoon about them
