KEEPING IN TOUCH

## Green Class News

### CHILDREN:

Hello Green Class! I hope you've had a nice weekend doing some fun activities with your family. Thank you for emailing in some of your fantastic learning. It has been so lovely to see some photos of the learning you have been doing at home. We've really enjoyed speaking to you over the phone and hearing about all the different activities you have been doing.

There are some new games to play on Purple Mash this week including maths, computing and spelling games. We're looking forward to seeing your scores and how you complete them. I have loved seeing all your fantastic pictures on 2 Paint a picture.

In the Bertram household this week, we have been busy creating our very own indoor obstacle course, so that we can all keep fit together! We're trying to beat our times each day to see if we can improve. Once we manage to beat our time, we add another part to our obstacle course. How have you been keeping fit this week?  
Mrs Bertram

The Jones's have tried to keep up with the Bertrams! We've been taking Alfie out everyday for a walk in the woods and using our bicycles to get out and about in the fresh air when it's quiet in the evening. Mrs Jones

**PARENTS:** Here is the new timetable for this week. It's a shorter timetable for this week as it is VE Bank Holiday on Friday.

Thank you for taking the time to speak with us over phone. It's been great to have all your feedback about what we include in this Newsletter. We'll continue to stay in touch whilst we're all in lockdown.
