Announcements

We have now received official guidance from the Bishops' Conference with regard to services in Catholic churches. On this basis the following points need to be made for parishioners to consider and will continue to operate.

- The rate of infection is increasing exponentially and therefore the expectation is that all adults will be expected to wear masks in church to mitigate the spread of infection.
- All people should continue to sanitise their hands on entry to the church.
- The practice of cleaning the benches after each Mass is to continue. You are asked to help with this when you attend one of the Masses
- There will be no need to book places for Sunday Masses. You just turn up and try to take a place that is at least one metre from the person nearest to you.
- Singing is now permitted but because of the rate of infection masks should not be removed even if singing. The choir in the balcony will be exempted from this, as under current guidance, since they are a significant distance from the rest of the congregation.
- Hymn books can be used but they will be split into two groups for use of the two Masses. They will be kept separate on the trolley and therefore each hymn book will only be used once a week at the most.
- The sign of peace will be restored but we will observe a non-contact version – such as nodding or waving to people.
- With the relaxation of the guidance for indoor gatherings I would like to encourage the visiting of the housebound and sick but under strict guidance.

MASKS

Dear parishioners,

We understand that the Government has decided that the use of masks is a personal but responsible choice. However, as a Christian community we have the duty to protect our most vulnerable parishioners. And as you can read above, the Bishop has stated that all adults will be expected to wear masks in church to mitigate the spread of infection. I know it is not the most comfortable thing to wear, but it is only an hour and we really need to look after each other.

We are finally getting people back that have been sheltering for the last 18 months and we would like everyone to feel comfortable and safe at mass. So please wear your masks while entering the church (if you don't have one, I'm sure the stewards will be able to provide you with one), remember to sanitise your hands and please please please, be kind to our stewards as they are doing an incredible job at keeping everyone safe. Thank you.

CCRS - The Catholic Certificate in Religious Studies (CCRS) is beginning again in our Diocese this September. The course is designed for teachers in Catholic schools, for Catechists and for anyone who would like to grow in understanding as they live their Catholic faith. The CCRS offers a very flexible and accessible way of learning, it includes some online content and is made up of eight modules: six core and two specialist modules. Each module involves ten hours of course time and an assignment. For more information or to register your place please [contact our Formation Adviser](#)

Church Cleaners: Now that things are starting to return to normality, we are seeking volunteers to clean the church on a regular basis. This includes the vacuuming of the carpet and clearing of cobwebs etc. If we have sufficient numbers it should not be onerous and a rota could be constructed. Any volunteers should email Susana in the office on the parish email address.

Please take an envelope from the church porch, empty the contents of your Red box into it and return it to the sacristy by Sunday the 10th October. If you prefer to return your box please ensure your name is on the label, place it in the sacristy and take a new box from the porch.
