

Open Mornings 2021-2022

Unfortunately we will be unable to go ahead with our planned open morning tours in the Autumn Term. Surrey County Council are strongly advising all schools not to hold face to face tours of any kind at this time. In the interests of public health and the safety of our whole community, we have decided to comply with this guidance.

A virtual Presentation will be available and a virtual Q and A session will take place at a later date.

If you would like to register your interest in our school, please email the office.
Thank you.
