# French Club

Want to boost your child's brainpower and confidence? Learning a language is the way to go! In small classes, your little linguist will learn to speak with an authentic accent and master the language through engaging activities, high-quality activity books, and a supportive audio app. They may even make some new friends along the way!

**Sign up today and watch their love for French blossom!**

"My daughter loves the methods Mrs Brant uses, like songs and visuals and has started demonstrating her new found knowledge at home. It's the first after school activity she's never lost interest in!"

"Mrs Brant French's lessons are fantastic. She makes learning fun and personal to each kid. She has this special touch for the kids. She keeps parents informed, organised and driven as well. Highly recommend if you are looking for French lessons."

**Mrs Brant has run French clubs for many years and is a fully vetted, trained and insured tutor**
