

Engineers R Us

Online Sessions

Starts 19 April 2021 (Year 3 to Year 6)

Mondays 5 - 6pm *(5 weeks) due to a bank holiday

Wednesdays 4 - 5pm (6 weeks)

Thursdays 5 - 6pm (6 weeks)

If you own LEGO (or similar bricks) and love creating your own version of amazing constructions then why not give my online sessions a go.

I will be offering my fun, educational and hands-on engineering sessions for KS2 children via Zoom starting Monday 19 April 2021 for *6 weeks. Please see my website for more details and dates.

Cost is £30 per child for the 6-week blocks or £25 per child for the 5-week block. Places will be limited, so please email me to book a place.

Starts
19 April 2021
for *6 weeks

Stimulate your
curiosity and
creativity

Hands on
practical
activities

Use a variety of
materials

Learn while
solving problems
and having fun
