

Cardinal Newman Catholic Primary School

Summer 2 Week 7 July 13th

KEEPING IN TOUCH

Year Two News

Dear Children and Parents,

You have reached your last week of the Summer term! Well done, you should all be very proud of yourselves and all the hard work you have done. We hope you have a wonderful summer holiday and we are looking forward to seeing you all in September.

Here is an outline of the work you will be doing:

English

This week we are going to use a new Talk for Writing Unit called 'The Quangle Wangle's Hat'. This unit is based on poetry. Well done on all your writing tasks this term. We are going to get you to send it on Wednesday this week to try and ensure feedback is returned by Friday as it is the last day of term.

This week we would like you to write your very own poem. We would like the poem to be about what you have been doing during your time at home. If there is any other topic you would like to write a poem about you are more than welcome. Remember we want you to be as creative as possible. Think about words you could use that have lots of rhyming words. The poem does not have to be a specific length.

Make sure you try your very best for your writing task. Remember when writing poetry each sentence goes on a new line, each sentence starts with a capital letter and ends with a comma or full stop. When you have finished your piece of writing, self/peer assess using the success criteria and send it to the email below. If you have not sent any work yet, it would be nice to see some.

Maths

In maths we will be looking at time in a little bit more detail.

On Friday we have added a maths investigation -Please look at the activity on the website – we would like you to investigate time in more detail. It is such an important life skill!

This investigation gets you thinking more about time, looking at different clocks and working out the number of minutes between different times.

Topic - Special People

Think about someone who has been special to you since Easter.

Write a letter, or make them a thank you card explaining why they have been special. Decorate it beautifully.

Other curriculum areas can be found by following the links on the timetable. If you have any problems please contact us on the email below.

Have a good week and have a lovely summer holiday with your family. Keep reading lots of books! We have enjoyed teaching you all.

Miss Nolan & Miss Ward
