

Teach SouthEast **TEACHING COULD BE THE ANSWER!**

Are you a relative or family friend thinking of making a career change?

Are you looking for a secure, rewarding, and life-giving profession?

Teach SouthEast SCITT are recruiting applicants to train in a range of primary and secondary subjects.

We are looking for recent graduates, career changers or those wanting to re-start their working career to share their knowledge, skills and experiences with young people in our communities.

Teaching remains a valuable and fulfilling profession. We are looking for those with the drive and resilience to really make a difference to young people's lives.

We will support you with high quality school placements in our partnership of over 20 schools. We are recognised for excellent academic outcomes and secure prospects for employment.

If this appeals and is of interest to you?
