

M:Tech (Music Technology) – Summer 2024 Term

M:Tech is an **extracurricular music technology and creative composition course** for children aged 7-13.

They teach the **fundamentals of music composition theory**, with young **learners** composing soundtracks to fun and **engaging multimedia projects** like movie trailers and TV adverts.

In the Summer 2024 term the children will be working on **Project OLYMPICS**:

"Feel the rhythm, embrace the tempo, and compose your way to gold! Join the M:Tech team as we race into..."

Project Olympics!"

After completing a term of lessons, learners will have created and completed their own unique piece of music to add to their growing **M:Tech music portfolio**. This is sent home and certificates are awarded to **mark their improvement and course progress**.

Participation on the M:Tech course also now includes access to the new **'MyMTech' home platform**, where learners can develop their ideas, skills and create music at home.

This course is administered directly by M:Tech and to register your child's interest please sign up online at www.mtechonline.co.uk or call The M:Tech team on 01483 578114.

Fees are £15.70 per weekly session of 60 minutes. Your bill will be adjusted to reflect the exact number of lessons in a term.
