

# Cardinal Newman Catholic Primary School

## Start of Year 6 2021-2022

### 2021/22 YEAR 6 CHILDREN

#### Welcome to Year 6

Please find below useful information for Year 6

Organise a clear, plastic pencil case.

Please include:

- Coloured Pencils
- Ruler
- Rubber
- Sharpener
- Named Glue stick
- Several rub-out handwriting pens (blue ink)
- Several black named white-board pens (not permanent)
- Several green fine-liner pens for corrections

We will be setting reading tasks as homework during the year and ask, if possible, could you purchase a copy of the class texts

During the Autumn Term we will be starting with:

Running Wild by Michael Morpurgo

The Fib by George Layton

Over the summer it would be useful to start collecting any information for our autumn term learning:

**Science:** Living Things and Electricity

**Geography:** Extreme Climates and Energy and the Environment

#### Summer Holiday Homework

A Grammar and a Maths check and a 3/4 Spelling list have been sent home to complete over the summer - do your best with this. We will be checking how many of the words the children can spell at the start of term so please get practising.

We also expect you to read at least three books over the holiday and write a half page summary of each on lined paper.

Please complete and bring back all work when you come back to school on 8th September.

#### PE Bags

A PE bag (not a carrier bag) for kit containing named school shorts, t-shirt, white socks, tracksuit bottoms/sweatshirt, trainers and indoor trainers

We hope you all have a great summer holiday. We believe that Year 6 will be the best year at Cardinal Newman yet.

It will be challenging but fun with enjoyment at the heart of all the learning!

**Mrs Denmead and Mr Carter**

#### **REMEMBER:**

**LEARN YOUR MULTIPLICATION TABLES AND PRACTISE YOUR MENTAL MATHS SKILLS**
