PUPIL PREMIUM POLICY June 2023

Cardinal Newman Catholic Primary is committed to inclusion and to removing any potential barriers to learning and pupil participation. This policy should be read in line with our Pupil Premium Strategy document which outlines in detail how we are seeking to address our children's needs.

Our Mission Statement states that we aim to be a community of learners, believers and friends rooted in the values and teachings of the Gospel. We seek to enable every individual to develop to his or her full potential in the knowledge that they are uniquely created and loved by God.

We provide a broad and balanced curriculum for all pupils and respond to pupils' learning needs. We believe in equality of opportunity and aim to create a supportive yet challenging environment which recognises difference and achievement of all pupils

Aims

This policy aims to:

- Provide background information about the Pupil Premium Grant (PPG) so that all members of the school community understand its purpose and which pupils are eligible.
- Set out how the school will make decisions on Pupil Premium spending.
- Summarise the roles and responsibilities of those involved in managing the Pupil Premium in school.

At Cardinal Newman we aim to:

- To enable all children to fulfil their potential, whatever their needs
- To maintain parity between outcomes for disadvantaged pupils and all other pupils Effectively manage the Pupil Premium funding.
- Ensure all pupils have access to a broad and balanced curriculum differentiated as appropriate to meet individual needs.
- Ensure all children are given equality of opportunity to participate fully in all school activities.
- Remove barriers to learning.
- Develop close and effective partnerships between parents, school and outside agencies.
- Ensure all children feel valued and are listened to.
- Monitor the needs of all pupils.

Purpose of the grant

The Pupil Premium Grant is additional funding allocated to publicly funded schools to raise the attainment of all disadvantaged pupils.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers and ensure all can reach their full potential.

Use of the grant

Cardinal Newman is a two form entry primary school and forms part of the Xavier Catholic Education Trust. Disadvantaged pupils currently make up a relatively small percentage of our school community but there are changes to this from year to year.

The school is able to support disadvantaged pupils through the provision of breakfast / after school / homework club for those who need it. In addition to this, all vulnerable pupils receive a termly £25 voucher to spend on a chosen club or use in all or part payment on a school trip.

The Pupil Premium Grant enables some of our disadvantaged pupils to access support from our Home School Link Worker. In addition to this, we have two ELSA trained members of staff who support our pupils.

We strive for every child to reach their potential and we are determined to create a climate that does not limit a child's potential in any way. Free booster sessions are available to all pupils in upper KS2 to narrow gaps and intervention groups are provided in all year groups to support learning for all.

We are committed to spending Pupil Premium funding we receive to its maximum effect and impact.

Eligible pupils

The pupil premium grant is allocated to the school based on the number of eligible pupils between reception and year 6.

We publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line the DfE's requirements.
