

Cardinal Newman Catholic Primary School

Summer 2 Week 7

KEEPING IN TOUCH

YEAR 4

Dear Year 4,

The summer holidays are nearly here and one more week of home learning to go!

Outlined below is what you will be doing this week. There will be a whole school Mass on Wednesday morning – details to follow.

English

In preparation for Year 5, we would like to look back at your Year 4 experience. What have you most enjoyed, what have you learnt and what will you be taking away with you. You will write an informal letter to an imaginary friend about to start Coral or Opal class. Your task is to provide them with advice and tips on what to expect from year 4. Remember how to set out your letter (use the school address Arch Road, Hersham, KT12 4QT), use informal chatty language, make it personal and try to give reasons for your advice. We very much look forward to reading them so keep them safe.

Maths

In Maths we will continue with the White Rose planning using the videos on the White Rose website and the worksheets on the school website. You will be exploring lines of symmetry and grid positions. One good game to practise your co-ordinates skills is *Battleships*; place your ships on the grid and try and sink your opponent's ships before they sink yours!

Happy summer holidays!

We would like to take a moment to tell you all just how brilliant you all are! It is now time to take a break and enjoy the sunshine (fingers crossed), although don't forget to keep practising your timetables and keep reading. We wish you all a fantastic summer holiday!

Mrs Fleming and Mrs Simpkin

Please carry on sending in photos and scans of your work the Year 4 email address. Any urgent queries should be sent to the office.
