

Cardinal Newman Catholic Primary School

Summer 1 Week 1

KEEPING IN TOUCH

CORAL CLASS News

Welcome back. I hope you all had a lovely Easter holiday with plenty of chocolate eggs! Did anybody spot the Easter bunny hopping around? The clocks have now changed, the temperatures are heading in the right direction and it is lovely to see Spring has set in!

CHILDREN: We may not have been able to go outside as much as we would normally do, however I am sure that, like me you have endeavoured to take on new challenges and different activities. As well as a lot of gardening, art activities, board games and reading, my table tennis skills have greatly improved over the holidays...happy now to challenge anyone to a game when we get back to school!

I hope you have all managed to do some of the work set during our school closure. It has been lovely to hear all about your exciting projects at home, from art to science. Remember to keep sending in your photos of work accomplished. A project you might like to do is prepare a scrap book of your time at home. Every day take a moment to think about what has made your day special and place a picture, drawing or a piece of writing in your scrapbook. These would be lovely to share when we return.

I miss you all and realise learning from home is not easy; you must miss your friends, playtime games and possibly even the school lunches! Going forward, remember to keep practising your times tables and your weekly spellings and don't forget your daily exercise.

PARENTS: We have set some new work this week and although we can't replicate what happens in the classroom, we are trying to make sure the children are happy in their learning and kept busy and challenged during the working week.

We understand that all families have different ways of working and have attached a suggested weekly timetable which you are welcome to adapt to suit your individual family situations.

We will be using Hamilton Trust for English and White Rose for Maths but feel free to look at Hamilton Maths too.

You will have received an email with logins for Purple Mash for Computing and Charanga for Music.

Please remember to consider e-safety when children are working online.

Learning this Week

English: Comprehension

Maths: White Rose

RE: Pentecost

Science: Ice

Foundation: Music

Art: Mondrian research

Computing: Coding

Geography: The Mayans

Birthdays:

Liam

Topic:

The Mayans (see activities below)

https://hamiltontrust-live-b211b12a2ca14cbb94d6-36f68d2.divio-media.net/documents/UKS2_Maya_Bl kB_Introduction_S3_Resource3.pdf

Which continent did the Mayans live on?

Draw a map of the area they lived and label the five modern countries.

Which seas surround the area in which the Mayan lived? Label these on your map.

Challenge question - What is a peninsula?
