## Summer 2 Week 7

KEEPING IN TOUCH

## Topaz & Ruby – Year 3 News

### Children & Parents

Dear Year Three, we hope you have all had a great week and we want congratulate you all, on all your hard work. It was great to read your poems on Lockdown called, I didn't know I'd miss. You all did a really good job on them. Well done for always working your hardest, we know it can be tricky at times, but please keep going, we love seeing all your amazing work. Here is an outline of what you will be getting up to this week:

### English

This week we are going to continue using the Talk For Writing Unit called, 'Unicorn Uncovered'. Your main piece of writing this week will be to write a magic potion. You can be as creative as you like with this activity, as long as you follow the success criteria. Use all the information and ideas you have been working through. Try to complete one of the activities each day as shown on the weekly timetable. Work your way through the activities to get all your amazing ideas ready for your potion. We would like you to complete this work in your **best handwriting**, you can illustrate it if you would like to.

Please use the sticker sheet to focus on the success criteria and to self or peer assess your work. When you have finished your jungle log send to the year 3 email below, **due 17th July**

### Maths

In maths we will continue to revise fractions, using White Rose. On Friday there is a Maths investigation question for you to answer!

Please continue to practise your Times Tables.

Other curriculum areas can be found by following the links on the timetable.

If you have any problems please contact me on the email below.

Have a good week

Mrs Mears, Mrs Gautheron and Mr Armstrong

Y3homelearning@cardinalnewmanschool.co.uk.

### Additional Topic Work:

#### **History: Ancient Greeks (link on Cardinal Newman website)**

Ancient Olympics - Watch the video about the ancient Olympic Games. Complete sorting activity. Look at vase designs depicting the Olympics, which sports do you think they represent.

<https://www.bbc.co.uk/bitesize/topics/z87tn39/articles/z36j7ty>

#### **Science: Revision Poster/Mind Map**

Well done for all of your hard work during our topics on light and forces. Think back to everything you have learnt and choose a way of presenting your new knowledge: it could be a poster, a mind map or presentation!
