

Cardinal Newman Catholic Primary School

Summer 1 Week 3

KEEPING IN TOUCH

Blue Class News

Dear Children,

I hope that you and all the people in your families are staying fit and well. I am missing seeing you all at school, but I hope that you are being so good and helpful for your parents that they will be sorry when it is time for you to go back to school.

I hope that you have been working hard and have enjoyed the activities we have suggested. I know that some of you are following the timetable we have given you, while others have found lots of other super activities. Eline told me that she has been learning all about the Egyptians. Cristian has made a book about Space. Henry is going to make a booklet all about how to look after his new puppy and Imogen has dictated an amazing story which she sent to Chris Duke, who visited Cardinal Newman a few weeks ago. Today is Wednesday, I hope that by the weekend I will have managed to speak to the rest of you, and will have heard about lots more of the things you have been doing.

I am really pleased that so many of you are doing really well learning to tell the time. The Year Three teachers will be delighted in September. You have also been working hard learning the 11 times table—it was always one of my favourites.

I hope that you manage to organize some of the VE Day celebrations with your family. Perhaps you will be able to send in a photo.

As usual, reading, reading, reading is so important!

The photo is Toby. He is very greedy and had buried some of the bird's bread in a trough where I had planted seeds! Can you see his muddy nose?

Hello Parents,

Thank you for all your hard work supporting your children in their learning. I do appreciate that home learning and school are quite different and that you are having to cope with work and many other aspects of daily life. Anything that you can manage with the children will be of benefit to them. If you have a particular passion or expertise share it with them.. The lovely weather has been a bonus. Despite the difficulties, this is a unique opportunity to spend precious time with your children without all the external factors which are usually so time-consuming.

Best wishes to you all.

Miss Ward

Additional Ideas for Topic Work :

Topic Week 3 : VE Day activities

Mission Statement

To be a community of learners, believers and friends rooted in the values and teachings of the Gospel. We seek to enable every individual to develop to his or her full potential in the knowledge that they are uniquely created and loved by God.
