

## Surrey Day children's competition

For this year's Surrey Day, BBC Radio Surrey is looking for school children to sum up Surrey's natural beauty in 60 seconds.

Children aged between 5 and 11, are asked to record a short audio file explaining what they love about Surrey's nature or the challenges faced in the local environment.

Maybe it's the beauty that's been discovered during lockdown on a local walk or maybe it will be about birds or wildlife.

Entries can be presented as a self-authored piece or as a mini news report. Primary school children can enter between the ages of 5 and 11.

There are two trophies and two one-year family passes for the Surrey Wildlife Centre for the overall winners in each of our age ranges: 5-8 years old, 9-11 years old. There is also an Adopt a Hedgehog Gift pack for the 5-8 year-olds and an Adopt an Otter Gift Pack for the 9-11 year-olds, from the Surrey Wildlife Trust.

They'll be two runners up in each category, who will each receive a certificate. When the entry is recorded, parents or guardians are asked to email them across as an mp3, including the name and age of the child and a contact telephone number.

Entries will be open from Midnight Monday, 22 March 2021 to Midnight on Friday, 16 April 2021.

The email address for entries is [surreyday@bbc.co.uk](mailto:surreyday@bbc.co.uk)

The winners will be announced on Surrey Day, on Saturday, 1 May 2021.

Only one entry per person please and children must be aged between 5 – 11 years old on the closing date of Friday, 16 April 2021 to enter this competition.

The winning entries will be played on BBC Radio Surrey.
