

OUR SCHOOL DEVELOPMENT FUND

Investing in your children's future

As you know, school budgets provide for the very core educational requirements, but it is the extra generosity of the Cardinal Newman community that truly makes the school an environment in which our children flourish.

The Cardinal Newman School Development Fund enables us to continue to enhance our curriculum activities and to improve the school facilities and equipment for them.

**DONATE
HERE**

Your donation, no matter the size, helps us to continue to develop a vibrant and inspiring place for learning and development.

We are truly grateful to those who already give and appeal to any who may not be currently contributing to consider doing so.
