

Cardinal Newman Catholic Primary School

Summer 2 Week 5

KEEPING IN TOUCH

Year 5 News

DEAR PARENTS AND CHILDREN: Greetings! We hope you are all doing well. We know it must be frustrating not being able to come to school but you have all been doing an incredible job keeping up your home learning! We have been amazingly impressed with the quality of writing and other works that you have been sending in! If you haven't sent in a piece of work yet, please try to send at least one before the end of term! Whilst the weather is improving, make sure you are practising the sports events for our Virtual Sports Day! You will find the events and videos from Mr Sebo on the Year Group learning page.

English:

This week we will be starting a new Talk for Writing unit called 'Wizards'

<https://www.talk4writing.com/wp-content/uploads/2020/06/Y5-Wizards.pdf>

Start by reading the advert for a wizard school and then following the activities listed on the timetable. The focus will be on persuasive writing and you will be working towards writing an advert for your own type of school. Try to be as creative as you can whilst still being persuasive! As always, keep referring to the model text for overall structure and words and phrases to magpie and adapt into your advert.

Work can be handwritten and scanned or photographed, or done using a computer. Work should be sent to us by the Friday 3rd July, we will then mark this and return it with comments. Please complete and use the success criteria as a guide.

Maths: We will be continuing our revision into fractions this week. Follow the video links carefully and complete the worksheets from the Year Group website. Don't forget to change your denominators before adding or subtracting fractions! We will also continue to add the Fast Four slides to complete before the beginning of each math lesson. As always, please use the BBC Bite Size daily lessons if you want extra work.

Please remember to consider e-safety when children are online. It is important to remind them to take care when interacting with friends on line. If they see or hear anything they don't like they should stop, get off the device and tell an adult. They should also remember that unkind comments, whether intentional or not, can hurt feelings, so they should be extra careful in how they respond to one another.

Rather than emailing the school office directly we ask that you send completed writing tasks with the success criteria page to yshomelearning@cardinalnewmanschool.co.uk Also use this email if you have any questions, or want to share other work the children have done. Urgent queries should be directed to the office.

Take care, Mrs Chaudoir, Mr Joice and Mrs Sedour.

Learning This Week

English: Talk for Writing: Wizards

Maths: Fractions revision

RE: Reconciliation topic

Science: Animals including humans

Foundation

DT: Andy Goldsworthy Sculptures

Computing: Coding

Geography: Eastern Europe

Music: The Fresh Prince of Bel Air

Birthdays:

30th June - Simon and Jakub- have a fab day!

2nd July

Eny and John - hope it's filled with fun!

Monday 29th June	
8:40 – 9am	Family Prayer using Collective Worship resource sent out
9 – 9:30am	Half-hour physical activity e.g. Joe Wicks PE https://www.youtube.com/playlist?list=PLoFs-pW9hQxSEEHr4TZITZtv-oEFhV7ak
9:30 – 10:30	Maths : Y5 Week 5 Revision: Add and subtract fractions Worksheet added to website Video Link: https://vimeo.com/418155222
10:30 – 11am	Morning Break – outdoor activity if possible
11 – 11:30	Spellings : Y5 Week 10 Look Cover Write Check. 4 columns

Try making your own sculpture in the same style-be creative with materials you could use! https://www.bbc.co.uk/bitesize/clips/zh4wmp3 https://www.bbc.co.uk/bitesize/clips/zs87tfr http://www.leaningintothewind.com/
3 – 3:30pm	Physical Activity Daily walk / cycle /scoot

Additional Ideas for Topic Work

GEOGRAPHY - For 2 weeks - Eastern Europe

- Holiday leaflet - decide on a Eastern European destination and create a tourist brochure to entice people to go there. Include information about how to get there, a map, weather, culture, local food, places of interest to visit, currency and anything else you think a tourist might want to know.
- Map Quiz - https://www.ducksters.com/games/europe_map_game.php

SCIENCE - Life Expectancy

Use the following links to explore and research life expectancy of mammals. Using your research, find the life expectancy of the same animals you found the gestation periods for. Create another bar chart-can you see any similarities?

<https://www.youtube.com/watch?v=7m8QISPP7to> <https://www.futurelearn.com/courses/maths-power-laws/0/steps/12167>

Use your research to answer the following statements with always true/sometimes true/never true. Support your answers with evidence where you can

- All mammals have the same life expectancy
- Larger mammals have a longer life expectancy
- Carnivorous mammals live longer than herbivore mammals
- Scientists should invent ways of increasing the life expectancy of all mammals (think carefully about this one!)
