Help

Turning on SafeSearch helps hide explicit content, like pornography. SafeSearch preferences may be set by your device or network administrator. If you can't turn it off, check with the administrator of your network or device.

Lock camera and microphone URNAL

- 1.Right-click the Start button.
- 2.Click Device Manager.
- 3.Click the dropdown arrow next to Imaging devices.
- 4.Right-click Integrated Camera note that this could
- change depending on the hardware in your laptop.
 - 5.Click Disable.
 - 6.Click Yes.

the battery is critically low.
