Confessions: *By appointment and before and after the
Saturday Masses at Molesey & Hersham*

Dear brothers and sisters in Christ,

The encounter of Our Lord with the rich young man in St Mark's gospel has an interesting detail. We read that Jesus looked steadily at the young man, and loved him.

We are all too used to seeing looks of disapproval and even contempt. It can be chilling to be on their receiving end! When we catch a look of love, than our hearts expand and we feel empowered to be our better selves.

The rich young man was good and recognised the goodness of God in the face of Jesus Christ and yet he couldn't detach himself from those things which held him back from following the Lord's additional command to follow. He is a reminder than we can spectacularly miss the point of our lives and the opportunities it affords.

Each Sunday, at Holy Mass, we receive the gaze of Jesus Christ in the Sacred Host, raised for our adoration. When we see the Host, at the moment of consecration, we might say 'My Lord and my God' or a similar prayer of worship. And it is also

good for us to remember that, at this moment, the Lord looks at us and loves us. We can ask Him our questions, we can ask Him to hear our prayers, we can ask Him to forgive our sins, we can ask Him, 'What must I do....' Remember, rich or poor, young or old, there's only one life and we would want to make the most of it, for our sake and for the sake of the Good God who came to save us in Jesus Christ.

This last week Canon Richard Hearn, the dean of Southwark Cathedral, died unexpectedly at Kings College Hospital. Please remember him in your prayers. Richard had worked in banking before sensing a call to priesthood. To this end he followed the call of the Lord. Junior to me at the seminary, his star quickly rose and his loss will be deeply felt by Archbishop Wilson and the cathedral parish of St George. For all those who have died this last week, *Eternal rest grant unto them, O Lord and let perpetual light shine upon them.*

My prayers and affectionate good wishes
Fr Richard

PRAYERS & DEVOTIONS

Soul of Christ, sanctify me;
Body of Christ, save me;
Blood of Christ, inebriate me;
Water from the side of Christ, wash me;
Passion of Christ, strengthen me;
O good Jesus hear me;
Within your wounds hide me;
Suffer me not to be separated from you,
From the evil one protect me;
At the hour of my death, call me;
And bid me come to thee; That with thy
saints I may be praise thee
For all eternity. Amen.

Act of Spiritual Communion

This prayer is said when it is not possible for us to receive Holy Communion. If you are watching a live stream Mass you might like to say the prayer as the priest receives Holy Communion.

My Jesus, I believe that You are present in the Most Holy Sacrament.

I love You above all things, and I desire to receive You in my soul.

Since I cannot at this moment receive You sacramentally,

come at least spiritually into my heart.

I embrace You and unite myself wholly to You. Never permit me to be separated from You. Amen

For those who are suffering

O God, who willed that our infirmities be borne by your Only Begotten Son to show the value of human suffering, listen in kindness to our prayers for our brothers and sisters who are sick; grant that all who are oppressed by pain, distress or other afflictions may know that they are chosen among those proclaimed blessed and are united to Christ in his suffering for the salvation of the world. Through Christ Our Lord. Amen

Merciful God, come to the help of your people. Be our shelter in this time of peril and strengthen the bonds of our community. Bring healing to all who suffer the ravages of disease and assist those whose skill and art can put an end to this affliction. Through Christ our Lord. Amen

CAFOD – Climate Change Petition:

This year, the UK will host the largest gathering of world leaders ever to take place on British soil: the ‘COP26’ climate talks in Glasgow in November. As Prime Minister, Boris Johnson must push world leaders to show the ambition we need to keep temperature rises below the disastrous 1.5-degree threshold. This means that all countries must play their part. With the eyes of the world on the UK, we must urge the Prime Minister to make sure communities hardest hit by the climate emergency are listened to at COP26. Please sign our petition at [//cafod.org.uk/reclaim](https://cafod.org.uk/reclaim)

For those without internet access, petition cards can be ordered from the CAFOD Shop: 0300 011 5680. Thank you.

POPE FRANCIS’S PRAYER INTENTION

We invite you to pray with Pope Francis that we might make courageous choices for a simple and environmentally sustainable lifestyle, rejoicing in those young people who are resolutely committed to protecting God’s creation.

“Let us hear both the cry of the earth and the cry of the poor.” (Source: *Missio*)

THE SEASON OF CREATION

This season is dedicated to prayer and action for the protection of creation. It is time to renew our relationships with God, our Creator and with all creation, as we join together in prayer.

“We give thanks for all that God has made, repeat for the damage that we have caused and commit ourselves to take action to protect the earth our common home” (Source: *CAFOD*)

A novena – is a commitment to say a prayer or several prayers every day for nine days. Could you say a prayer every day to help repair the effects of climate change in our world?

CAFOD has written a version of The Joyful Mysteries of the Rosary for the care of Creation. It contains the story behind each decade of joyful mysteries, together with the prayers of the rosary and a short reflection of how decade is relevant to today’s world. A fresh way to begin or return to prayer using the Rosary.

THANK YOU - A huge thank you for your continued generosity and support.

CAFOD can only succeed with your prayers and continued financial support

The emphasis this year is helping communities who are directly affected by the climate change crisis. Examples are :-

- providing solar powered pumps to supply water to villages for use of people for personal use plus watering livestock and irrigating crops
- help people to thrive by providing long term skills, tools and opportunities to live with dignity, support their families and give back to their communities
- be there for people in crisis – natural disasters, war, or changes in employment – no fish left for fishermen to catch; permanent drought affects type of crops that can be grown;
- climate concerns – grow different crops more suited to changing conditions
- regenerate land and return it to its original use for example Ivanilde in Brazil. Her lands were burnt by ranches to provide more grazing for beef cattle.

- Ivanilde lives in one of the most heavily deforested regions of the Brazilian Amazon. Her land has been ravaged by forest fires more than once. She's watched plants and trees that she's spent so long caring for burn to the ground. These are the crops her family rely on to earn a living. But she has never given up.

- With the help of local experts from our Church network, Ivanilde has replanted and rebuilt. She continues to stand tall, being the guardian of the rainforest she loves.
