

Cardinal Newman Catholic Primary School

Summer 1 Week 3

KEEPING IN TOUCH

Red Class News

Dear Parents and Children,
It is hard to believe that we have reached Week Three of the summer term and we are not all working together in school. It was lovely to speak to you again and to hear that you are well and enjoying doing a very wide range of great things together with your families. I have been very busy in my garden during the sunshine, although I am very happy that there has been a little bit of rain this week to water my very small, new vegetable patch. I have planted some seeds there and I am waiting for them to grow. The onions are growing well and my lettuce seeds have just germinated, that means that the first leaves have just popped their heads above the soil. I wonder if you have been growing some seeds in your garden or in pots I look forward to hearing what you have been doing and I love to see photographs of the things you have made or done. I know you have been doing really wonderful work together, reading, writing, making things, being creative and sharing experiences. Some of you are finding the timetable helpful, but please remember that how you use it must be what is best in your family. Keep reading and writing, telling stories, playing games, doing exercise and, most importantly, enjoying learning. I look forward to talking to you and, hopefully, seeing you soon.

Learning This Week

English: Invitation
writing

Maths: Measuring and
capacity

RE—Pentecost

Computing—

Music— Big Funk

Bear

DT baking for VE Day

Science: Water/floating
and sinking

Happy Birthday!
