The paradox of abundance

Over 800 million people go hungry each day. Yet the world produces over 4 billion tonnes of food, and we only need 3.7 billion tonnes to feed everyone. From all this food produced, a third is wasted. St John Paul II called this 'the paradox of abundance.' Clearly the current global food system is not working. But as Pope Francis said, "Each of us has a role to play in transforming food systems for the benefit of people and the planet." Let's respond to his call! CAFOD's new campaign is called Fix the Food System. See www.cafod.org.uk/food for more information, including an invitation for parish groups to learn about the impact of our food with our Fix the Food System: a 7-station journey resource.

Dear Parishioners,

as you know we keep a section of our Newsletter specifically for those in need of our prayers, whether they are sick, housebound or just in need of extra prayer. If you would like your name or someone you know to be added to the list, then please let the office know. If you are submitting on behalf of someone else, please get their permission first. If you are sick or unwell and would like only Fr Ruslan to know but not have your name in the newsletter just let us know and this can be accommodated.

Fr Ruslan is very aware that we have a number of parishioners that are too poorly to come to Church. He would like to meet these parishioners at different times throughout the year in their homes. He can offer the Sacraments of Reconciliation, Communion and anointing of the sick or just say hello. Everyone is important to us in this Church. So if you have not been able to get to church because you are too poorly or a vulnerable person, please reach out to either Susana in the office, Fr Ruslan himself in confidence or Ann Mehan. Susana and Ann will work with Fr Ruslan to try to schedule visits. Feel free to contact us. God Bless.
