#### Suggestions for the Summer Holidays!

First of all, we recommend you enjoy the time with your friends and families in the sunshine!

Please continue to share stories with your children..

Please continue to talk to your children about all the lovely things that you do with them.

Play board games.

Encourage them to ask questions.

Explore practical maths eg baking, laying the table, telling the time..

Use your Reading Eggs login to keep up the fantastic reading in the holidays.

We wish you all a very happy holiday with your loved ones. Enjoy the rest - we know how hard you have all worked in Reception Class and look forward to building on all of that success in Year One!
