

Engineers R Us is founded and run by a Chartered Civil Engineer with more than 15 years' consultancy experience of designing buildings and bridges across the globe. In these sessions I will share my enthusiasm and experiences to bring **STEM** subjects to life and demonstrate their value in the engineering of the world around us. Please visit my website www.engineersrus.co.uk for more information about my club and what I offer. I am very excited about continuing my engineering sessions at Cardinal Newman Catholic Primary School and this summer term I will be offering engineering sessions for both **KS1 and KS2**.

Venue: Cardinal Newman Catholic Primary School

Days, times & dates:

- ❖ **KS2 (Years 3 to 6)** Sessions on **Monday** afterschool from **1520 to 1620** on April 29, May 13,20, June 10,17, July 1,8,15 (8 sessions).
- ❖ **KS1 (Years 1 and 2)** 30-minute lunchtime sessions on **Wednesday** from **1230 to 1300** on May 1,8,15,22, June 5,12,19,26, July 3,10,17 (11 sessions).

Costs:

- ❖ **KS2** children (Years 3 to 6), £64 for the term. Places will be limited to **16 children**.
- ❖ **KS1** children (Years 1 to 2), £55 for the term. Places will be limited to **12 children**.

How to book:

To provisionally book your child's place please **email me** on engineersrus2018@yahoo.com with the following information:

- 1) Name of your School
- 2) Your child's full name and year group
- 3) Your contact details

Please note, I will hold your child's initial space on a first come first email basis. I will then liaise with you by email to arrange payment and confirm your booking.

Please feel free to contact me if you require further information or if you have any particular items you wish to discuss.

I look forward to seeing you soon!

Mr G Campetti
