MULTI SPORTS

DAY

Planet Soccer courses offer a fantastic programme for everyone from beginners to advanced children, creating an inclusive environment that allows all children to increase confidence, self esteem and develop their skills through fun games and structured coaching sessions.

At planet soccer we believe in building children's confidence through sports and teaching them skills for life such as respect, teamwork, fair play and sportsmanship and also they will make lots of new friends.

Our multisport camps provide a wide range of sports available to the children and allows them to choose from a range of activities they enjoy. Each day they will play and learn more about the sports they love. They will learn key technical skills in fun related games and also play and enjoy mini matches and tournaments.

Our qualified coaches are passionate about sport and will ensure your child has an action packed day. Our courses are open to boys and girls aged 5-12 and children are split into relevant age groups.
