

Cardinal Newman Catholic Primary School

June 2019

Dear Parents

Firstly, a warm welcome to Cardinal Newman Catholic Primary School.

Your child is due to start school this coming September and you are no doubt thinking that the transition between nursery and school is going to be a big change. The PA would like to help make this a little easier by inviting you to two informal play dates at Coronation Rec Park (outside the playground by the big tree), on **Friday 26th July and Thursday 15th August from 2pm.**

Hopefully this will allow the children to make new friends and the whole experience of starting school less daunting! Don't forget your picnic blankets and any outdoor games. Siblings are of course welcome!

If you would like to come along to these informal play dates please do let us know so we can confirm the dates and times. Please email: pa@cardinalnewmanschool.co.uk

Secondly, each school year has 1-2 reps per class. This is an important role as the Class Reps (with the help of the Parents' Association) serve as a means of informing other parents of school events, organising social occasions such as coffee mornings and nights out and generally acting as a link between parents and the school.

It's always nice to have new parents in this role as it brings a fresh perspective so if this is of interest to you please e-mail us. You will be supported by existing parent class reps who are always very happy to help shadow any new class reps should it be required.

Again, welcome to you all and we look forward to your forthcoming support.
