

CALLING ALL SUPER-DUPER-SUPER-HEROES!!!! (2.5-6 years).

We need your help to rescue Tiddles, and fight the nasty Misery monsters. My best friend Sam is a super-duper-super hero. But she is very ill and needs our help to rescue a little kitten stuck in a tree! We'll use Sam's super-duper-hero red cape to get there. But watch out for the nasty Misery monsters who love to eat Kittens for tea!!!!

This magical session helps children understand that anyone can be a super hero as long as they use their imagination.

Only £7.50 per child with a sibling discount.
