Dear Parents

We will be having an additional INSET day for all our primary schools on Monday June 24th. The reason for the closure is to give teachers across the MAT the opportunity to work together to plan the foundation curriculum (i.e. subjects other than Maths and English). Teachers will be working together to ensure the children a broad, balanced and exciting curriculum in every subject.

Can I take this opportunity to thank you for all the support you give to our schools? Thank you for entrusting your children into our care and we continue to do everything we can to ensure all children in Xavier receive an outstanding Catholic education.

With best wishes

Ani Magill
