Dear Parents,

On Monday 28 and Tuesday 29 January we are lucky enough to have a visit from the 'Life Bus' which is run by Coram Life Education. The 'Life Bus' is a mobile classroom driven into the school grounds and addresses life skills, knowledge and attitudes in line with the PSHE National Curriculum.

The specially equipped classroom provides an unforgettable experience for the children. The fun, interactive and age-appropriate programme helps children to understand the wonders of the human body and how to look after it. The children meet Harold the puppet, have discussions and watch short films about different topics relevant to their different age groups, e.g. healthy eating, legal and illegal drugs and their effects, the body and how it works, friendships and their influence, and how choices and behaviours can affect aspirations.

Below I have outlined the topics which are covered by each year group:

Reception- All about Me

Year 1- My Wonderful Body

Year 2- Feelings

Year 3- Meet the Brain

Year 4- It's Great to Be Me!

Year 5- Friends

Year 6- Decisions

Keep your eyes on the school website to see the children enjoying the 'Life Bus'.

If you have any questions, then please do not hesitate to contact your child's class teacher or myself.

Many thanks for your support

Miss M O'Neil
