

SURREY FOOTBALL COACHING CENTRES

COURSES FOR CHILDREN OF ALL ABILITIES

Run by the No.1 F.A. Coaching Company in the UK

Surrey Football Coaching Centres is UK's No 1 independent football coaching organisation. Founded by David Melham 28 years ago, SFCC is a family run company and has retained its personal approach to running the business.

Every child who attends our courses is treated as an individual from the moment they arrive. Our aim has always been to build self-confidence, teamwork and good communication skills. We teach children of all abilities and disabilities, from the very beginner to the more advanced technical player. Our emphasis is for them to learn in a safe, friendly and encouraging environment.

SFCC Coaches are all DBS Enhanced checked, are F.A. Qualified to a high level and are fully First Aid/Safeguarding trained. Children will be split into appropriate age groups.
