July

2017

Thank you to everyone involved in the Mass at All Saints on Tuesday evening. I was so moved by the warm wishes and especially delighted by the children who sang, read and served so amazingly well.

I would also like to thank the parishes for their beautiful and thoughtful gift that I will treasure.

I am very excited about “chilling” on my garden chairs with a little light refreshment close by on the table—it’s a good job I am retiring, I may never move again! Thank you so much parents—such a wonderful and generous gift. Still one week to go!
