A big thank you to the many individuals and organisations who helped make it a fascinating day for KS2 children: parents Mr O’Kelly, Mrs Douet and Mr Stockley; Salesian School, Barclays Bank, Kingston University, Surrey University, Notre Dame School and Turn It On. Activities included How the Internet Works, coding, algorithms, Lego Robots, photography and Internet Safety.

HOT WEATHER—Please can we remind parents that in this hot weather children should bring a bottle of water and sun hat to school. Sun cream can be applied at home or brought to school where children must apply it themselves.
