To all Cardinal Newman Pupils, Hersham.

My dear friends:

On Thursday 4th March I was given two beautiful gifts from all of you at Cardinal Newman School, here in Hersham. A few of you were able to be present, representing each of you.

The first gift was a wood carving of two hands in prayer. This will always remind me of the gift of your prayers, and remind me also to give you a place in my prayers as the years go by.

The second gift was the beautiful presentation of your good wishes, signed by each class pupil. They were so kind and warm. Your individual names, which you so carefully wrote, made your generous good wishes very personal to me. With the praying hands they are gifts I will always treasure. Thank you all so much.

My thanks also to Ms.Keany and your Teachers who helped you. I ask God to bless you all. May Jesus, your 'Kindly Light', always be your guide. as you follow the life path He has in His heart for each of you.

With my thanks again, and my love to you, your parents and all your families.

Fr. Brendan.

March 2017.
