PARTNERS IN LEARNING Thank you to everyone who came to our Partners in Learning evening on Wednesday. Turnout was excellent and many parents said how useful it had been for them. Research shows that there is a strong link between parental support and academic success, so we are delighted to be working ever more closely with families to support the children together. Long may it continue! Information from the evening can be found on the Year Group pages of our website.

PARENT PRAYER GROUP Many thanks also to the parents who came along to the first Parent Prayer Group on Thursday morning. All are welcome to drop in - just for one week or every week, as convenient. Any prayer intentions for the group can be given to the office in an envelope or the children can add them to the "Prayer Intentions" box outside my office.

All best wishes

Catherine Burnham

DBS CHECKS

We are very grateful to all our parents who help in school. It is necessary to have an up to date DBS to do so. They run for 3 years from the time of issue and we ask that you sign in at least once a term to keep it current. If you want to take out a DBS for the first time or apply for a new one if yours has expired, please note that we may not be able to process your id check immediately. Please bring your documents to the school office together with the fee of £7.45. Thank you.
