DISADVANTAGED CHILDREN – INCOME/EXPENDITURE BREAKDOWN Summer 2019

Context of Disadvantaged Children at Cardinal Newman Catholic Primary:

| Pupils on Roll | Disadvantaged Pupils | Ever 6 Pupils | Service |
|----------------|----------------------|---------------|---------|
| 410 | 14 | 4 | 3 |

In Summer 2019, 21 pupils were identified as Disadvantaged at Cardinal Newman - this is 5%, and numbers are steadily increasing. 14 are currently eligible for Free School Meals. 5 out of 21 children also have SEND. Attendance of Disadvantaged pupils this term is 91.3%; this is below the school average but slightly higher than the previous term. Attendance is monitored closely to ensure improvement for each individual child. When attendance falls below the expected level, the Headteacher meets with parents on a one to one basis to offer support.

|--|---------|---------|-------|
| Whole School | 70% | 70% | 71% |
| Disadvantaged | 70% | 76% | 76% |

Summary:

Breakdown of data shows academic and emotional support is working well, as disadvantaged pupils are achieving above the general level of the school in both progress and attainment. Access continues to be free for disadvantaged children in a teacher-led daily Homework Club to support their learning and booster sessions for disadvantaged pupils in Years 5 and 6 have seen some pupils making accelerated progress. Take up of vouchers to support clubs and trips has been positive this year.
