

Cardinal Newman Catholic Primary School

Summer 1 Week 4

Topaz Class News

CHILDREN:

I hope that you all had a lovely week, with lots of fun and exciting learning. Well done for continuing to work hard and to always try your best. Please continue to send in your photos, it really does put a smile on my face.

I've been trying to do PE with Joe, some days more successfully than others. I'm determined to improve my duck walk, and think when we are back in school we will have a duck walk challenge, so get practicing.

I hope you enjoyed the VE Day activities and were able to celebrate with your family. We hung up our Union Jack bunting and my daughters made some yummy cakes so that we could enjoy a tea party in the garden, waving our flags.
Keep going and keep smiling you are all amazing

Mrs Mears

Hello to everyone! Well done for successfully completing another week of home learning – I do hope you enjoyed a great week of varied activities, notably VE Day on Thursday; I wonder how many of you managed to celebrate in some way? We held our very own tea party involving many teddy bears (fortunately exempt from social distancing rules!) and lots of cake. We have also made good use of our time this week by sorting out lots of children's clothes to donate to families who may need them. Olivia has enjoyed using our daily bike ride as an opportunity to deliver them!

This week we have a new challenge for you! Cardinal Newman Primary School are very excited to launch the Xavier Trust Art Competition. I know that this will appeal to lots of you - please look at the website to find all of the details and best of luck!

I hope you enjoy the tasks we have set and wish you all another wonderful week.

Please remember that we miss you incredibly – keep smiling and enjoy the time with your families.

PARENTS:

Hello to everyone. We hope you and your loved ones are keeping well. We also hope that you found the learning materials useful for your children last week and that the VE Day celebration materials added some variety to the schedule. We look forward to contacting you again in the next week, however in the meantime, would like to provide an email address as a direct link to both Mrs Mears and myself. Please do not hesitate to contact us at Y3homelearning@cardinalnewmanschool.co.uk should you need us and we will endeavour to reply as soon as possible within working daytime hours. Please remember that any urgent matters should still be addressed directly to the school office.

Thank you for your continuing support.

K Gautheron

Learning this week:

English: Harry Potter

Maths: Time

RE: Pentcost
Learning Focus 5

Science: Sink or
Swim?

Topic: Hersham

Science : Light

Art: Xavier Art
Competiton

No Birthdays This
Week!

(Tommy, you are
next!)

2 – 3pm	Art : Week 3 Xavier Art Competition (Link on Cardinal Newman website)
3 – 3:30pm	Physical Activity Daily walk / cycle /scoot

Additional Topic Work

Geography: (2 Weeks)

Using the information you have gathered about Hersham. Design a leaflet about why you might want to live there. Definitely include photos and some fun facts! You can use these titles as a structure to help:

Page 1 - Title Page (Photos/Map of Hersham)

Page 2 - Why Move to Hersham?

Page 3 - General Info (Landmarks/Annual Events)

Page 4 - My favourite part of Hersham? Why?

Science

Throughout May we will be looking at a new science topic: Light.

Task One:

This week we would like you to think about where light comes from. Mind map as many ideas as possible showing different light sources. Can you categorise them into man-made/artificial and naturally occurring examples? Is the moon a source of light?

Task Two:

Find and write the definitions of the following terms:

- transparent
- translucent
- opaque

Can you find as many different objects around your house as possible to fit into each category? You may need a torch to explore if light can pass through each object (most phones have torches, but please check with an adult before using their phones!). If you do not have a torch, record your predictions - in which category do you think each object could be placed? Produce a table to record your findings.

Drama:

Cardinal Newman now has access to some National Theatre productions: <https://www.dramaonlinelibrary.com>

Make sure you login in the top right corner and then use the left hand side login legend. Please can you make sure to type in both the username and password as sometimes it will not work also sometimes the web browser you are using may have to be changed. It worked fine on my Google Chrome so I would recommend that. I do have to stress that this information is for Cardinal Newman families and students only. This information is **NOT** to be distributed to anyone outside the school. Thank you. Parents check some of these not all are accessible, I would recommend 'Peter Pan (Bristol Old Vic/NT).
