## Summer 1 Week 4

KEEPING IN TOUCH

## Ruby Class

## News

**CHILDREN:** Hello again Ruby class! I hope you all enjoyed the activities from last week. 's VE Day they looked very interesting, I look forward to hearing what you all got up to. I also hope you were also able to enjoy the bank holiday weekend, whether that was staying inside and relaxing or spending time with your family! I managed to help family and friends from a distance this week and stay active on daily walks and runs!

You've all been doing really well while working from home! I'm now able to see that we have beaten Topaz for the last two months on TTRockstars! I have sent out some certificates to those who got the highest scores, so an extra well done to you lot as well! Stay working extra hard at your timetables so we can be the best at the end of the year!

This week there is a 'Xavier Art competition', now I know there are a fair few artists in Ruby class. With the help of Mrs. Haire we produced a brilliant mural for baptism back in January and we have since drawn and painted some brilliant Smok the dragons so I think we could really be in with a chance of winning!

Finally, I hope you are able to enjoy the home learning and make the most of your different activities you get up to. I will look forward to hearing about all of them when we go back to school! All the best Ruby Class and speak soon, Mr. A.

**PARENTS:** Dear Parents, we go again! I'll start with praising you all, a massive thank you again for another week of work. The circumstances seem to be the same and you all seem to be doing a fantastic job. I understand how hard it is having to work with children all day let alone getting any of your own work done in between which is a credit to yourselves and the children.

I have included some extra links this week, since the weather is ever changing and play times may be cut short/missed I have decided to include a link to Newsround which can help keep the children occupied while they are inside. Also please take note of the National Theatre resources we have been lucky enough to get hold of. All information can be found on the back page, there are some brilliant plays on there so please do make the most of this wonderful resource. You will need to look for the plays that are accessible to our membership. I believe when you select the 'Plays' page click the 'show subscribed content only' toggle in the right hand corner so see everything available to you. As this is a private school resource I will mention that this to be used only for the eyes of Cardinal Newman families and students, please DO NOT pass on any logins or passwords for this site and consider e-safety while accessing. Thank you.

It has been great staying in touch with everyone and seeing how you're all getting on. Photos of work and the children's expansive learning have been great so far. I will look to put some of them together when we are back however for now can we please send any work or future queries about home learning to the following email address: [Y3homelearning@cardinalnewmanschool.co.uk](mailto:Y3homelearning@cardinalnewmanschool.co.uk). This email should now be used from now on, this is to reduce the inflow of emails to the office and make it easier to pull together emails from you for Year 3.

Finally, thank you again for all your hard work and help over this period you are making a difference to your children's learning and progress so please keep it up! I All the best to all your family and friends. Mr. A

### Learning This Week

**English:** Harry Potter

**Maths:** Time

**RE:** Pentecost Learning Focus 5

**Science:** Sink or Swim?

**Art:** Xavier Art Competition

**Computing:** E-Safety Leaflet

**Topic:** Hershams/Light

### Birthdays This Week:

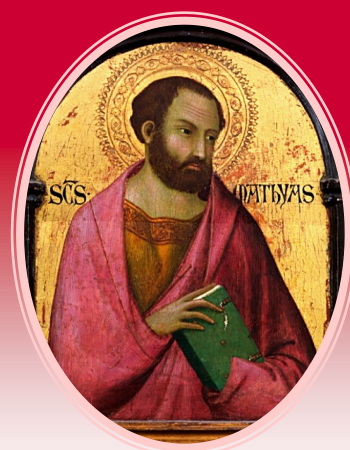

NO BIRTHDAYS THIS  
WEEK :(

Instead I thought it would be nice to celebrate a feast day!  
[https://www.youtube.com/watch?v=w\\_rOagya-Jg&t=295](https://www.youtube.com/watch?v=w_rOagya-Jg&t=295)

1:30- 2pm	Reading May choose to use Reading Bingo Challenge
2 – 3pm	Art : Week 3 Xavier Art Competition (Link on Cardinal Newman website)
3 – 3:30pm	Physical Activity Daily walk / cycle /scoot

### Additional Topic Work:

#### Geography: (2 Weeks)

Using the information you have gathered about Hersham. Design a leaflet about why you might want to live there? Definitely include photos and some fun facts! You can use these titles as a structure to help:

Page 1 - Title Page (Photos/Map of Hersham)

Page 3 - General Info (Landmarks/Annual Events)

Page 2 - Why Move to Hersham?

Page 4 - My favourite part of Hersham? Why?

#### Science: Light (2 Weeks)

**Task One:** This week we would like you to think about where light comes from. Mind map as many ideas as possible showing different light sources. Can you categorise them into man-made/artificial and naturally occurring examples? Is the moon a source of light?

**Task Two:** Find and write the definitions of the following terms:

**Transparent                      Translucent                      Opaque**

Can you find as many different objects around your house as possible to fit into each category? You may need a torch to explore if light can pass through each object (most phones have torches, but please check with an adult before using their phones!). If you do not have a torch, record your predictions - in which category do you think each object could be placed? Produce a table to record your findings.

### Additional Links:

**Maths:** Use these links for some extra timestables help

<https://www.timestables.co.uk/>

&

<https://www.topmarks.co.uk/maths-games/hit-the-button>

**Drama:** Cardinal Newman now has access to some National Theatre productions: <https://www.dramaonlinelibrary.com>

Make sure you login in the top right corner and then use the left hand side login legend. Please can you make sure to type in both the username and password as sometimes it will not work also sometimes the web browser you are using may have to be changed. It worked fine on my Google Chrome so I would recommend that. I do have to stress that this information is for Cardinal Newman families and students only. This information is **NOT** to be distributed to anyone outside the school. Thank you. Parents check some of these not all are accessible, I would recommend **Peter Pan (Bristol Old Vic/NT)**.
