Summer 2 Week 1

KEEPING IN TOUCH

YEAR 4 News

CHILDREN: Hello again, we hope you all had a happy, safe and healthy half term break. With the sunny and warmer weather, we're sure you have all had a chance to play and explore outside.

Here is an outline of the work you will be doing this week:

English

This week we are going to start using units from *Talk for Writing*. We are starting an exciting unit called The King of Fishes – A Wishing Tale. We have split the unit into sections. This week we would like you to complete **Words! Words! Words!** and send it in by email by Friday 8th June with the attached assessment sheet. The following week you will write your own story which should be sent in by Friday 12th June.

When writing you must remember the Year 4 Literacy non-negotiables:

- Use capital letters correctly
- Use correct punctuation
- Use paragraphs
- Write in your best handwriting

Maths

In Maths we will continue to use the White Rose planning. The focus this week will be adding and subtracting fractions and calculating fractions of quantities. Watch the video tutorials carefully and refer to BBC Bitezise for support.

Friday is Maths Challenge Day and we have set you two challenges at the end of this newsletter to try :

- Make 24
- Adding Pairs.

Other curriculum tasks can be found by following the links on the timetable. Mrs Kareem has set a new song to she also wanted to congratulate George Rizzi-Otter and Lucas Bray for their all their musical activity.

If you are looking for other activities, take a look at our Year 4 Activity Passport which we introduced in January! (copy below)

As always, if you have any problems, please contact us on the email below.

ADDING PAIRS

From the list of numbers find pairs which add up to the totals as shown

52	36	43	54	43

15 21 24 28 10 14 19 29 33 35

32	47	35	43	38	59	16	

11 12 20 21 24 26 5 10 11 14 24 28 29 35

28	32	20	34	31

5 7 8 11 12 15 20 21 22 24

58	32	29	42	33	63

10 11 14 17 18 19 22 24 25 28 34 35

MAKE 24

Using ALL four numbers write a number sentence where the result is 24.

You can only use the simple operations addition, multiplication, subtraction and division.

15	10	3	7	
5	3	7	15	
3	3	15	15	
4	3	12	6	
14	10	3	3
