

Cardinal Newman Catholic Primary School

Summer 2 Week 5

KEEPING IN TOUCH

YEAR 4

Dear Year 4,

We hope you have had a good week, hopefully enjoying the lovely weather as well as completing your school work. Our Virtual Sports Day is on Friday. Keep practising and send in videos of your attempts on the day. Below is an outline of the work you will be completing this week. Thank you to all who have sent in your work, photos and videos this week. As always, great to see your smiles.

English

This week we are going to start a new Talk for Writing booklet: The Impossibly Possible Bookshop, a magical story in Tree Goblin world. Your main piece of writing this week will be a poem entitled 'Six things found in a Hobbit's knapsack'. It would be lovely to see you add an illustration to your poem too. Let your imagination guide you and use your very best adjectives to allow the reader to visualize all your Hobbit's belongings. Remember to present it in your neatest handwriting and send it in. We look forward to reading them!

Maths

In maths, we will start to explore charts and line graphs. How can we record data? Which is the best way to represent and share data. You might remember how we used our bar graphs when we investigated the sugar contents in our favourite drinks and snacks. We ask you also to continue practising your times tables and keep up with your I Can do Maths work. For Friday's challenge you will chose how to share world data. You will definitely need a ruler and some coloured pencils for this fun investigation. Remember to lay out your work neatly. <https://nrich.maths.org/7725>

End of Year Prayer

As we approach the end of Year 4, we would like you to take a moment to reflect on the year past and the year ahead. There have been so many changes, so many new ways we now need to do things and who knows what the future holds. We would like you to write a reflective prayer entitled 'The Summer of HOPE'. For inspiration you may wish to visit the Cafod Summer of Hope assembly - <https://cafod.org.uk/News/Events/Summer-hope-assembly>
Write your prayer of the attached template and keep it safe with your self-portrait from last week ready to put in your Year 4 Portfolio.

Please carry on sending in photos and scans of your work to the Year 4 email address. Any urgent queries should be sent to the office.

D.T. Project – Shoe-Box and Flower-Pot worlds

The Impossibly Possible Bookshop booklet page 17

Find a shoe box or flower-pot and make your own goblin world. You can base it on the Tree Goblin setting if you like or you can create your own world for a different goblin. See the photos for a few ideas.

Have fun and don't forget to send us your photos!
