

Cardinal Newman Catholic Primary School

Summer 2 Week 5 July 6th

KEEPING IN TOUCH

Year Two News

Dear Children and Parents,

We hope you have enjoyed the sunshine over the past few weeks. We know it has been a really long time that you have been doing school work at home. Just remember to keep trying. We are so proud of you all. You are doing an amazing job!

Here is an outline of the work you will be doing:

English

This week we are going to continue to use the 'Talk for Writing' unit 'Superheroes'. You wrote great character descriptions last week, well done! Your main piece of writing this week will be to write all your very own superhero adventure story. Where will your superhero go? Who will they meet? What will happen?

Remember to plan carefully and in detail, on Thursday, we have put a story mountain on the website. Use the information and ideas you thought of last week to create your superhero. We want your story to have a clear beginning, middle and end. Please be as creative as possible and don't forget to give your story a title! Use the work that you have been doing throughout the week to help you.

Make sure you try your very best for your writing task. We look at them carefully each week. Including capital letters, full-stops and probably some exclamation marks and maybe some questions. Remember to use your plan on Thursday to help you remember what happens in your story. When you have finished your piece of writing, self/peer assess using the success criteria and send it to the email below. If you have not sent any work yet it would be nice to see some.

Maths

In maths we will be looking at litres, temperature and time. We have only looked at time a little bit this year so you will have to work really hard.

On Friday we have added a maths investigation -Please look at the activity on the website – we would you to investigate time in more detail. It is such an important life skill!

This investigation gets you to look at different kinds of clocks and work out the time of different events.

Other curriculum areas can be found by following the links on the timetable. If you have any problems please contact us on the email below.

Have a good week!

Miss Nolan & Miss Ward

3 – 3:30pm	Physical Activity Daily walk / cycle /scoot

Additional Ideas to Support Topic Work: Special People

Pick a well-known job such as a nurse, doctor, teacher, policeman, pilot or astronaut
Research them and do one of the following activities:

- Poster
- Portrait
- Fact file
- Write a letter to them telling them what you have learned
- Tell them about your favourite book of theirs and why

If you can, send a photo, or scan your work and email it to the Yr2 Home learning!
