

Cardinal Newman Catholic Primary School

Summer 2 Week 2

KEEPING IN TOUCH

Year 6 News

Dear children and parents,

I hope you are all well. Here is an outline of the work you will be doing this week:

English

This week we are going to continue using the Talk for Writing unit called Doors – the World of Possibility which we started before half term. It has been great to read your stories, they really made us smile. This week it would be great to see if EVERYBODY could remember to send their work in. Your main piece of writing this week will be to write a portal story – that is a story where your main character enters a door to either a magical world, a step back in time or an unusual place.

Work your way through the unit completing activities 7-11 to get ideas and then really let your imaginations go. Try to make sure you include some pattern of three sentences and some semi-colons in your writing this week.

Make every word count in your story and consider your verb choices carefully. It will take several sessions to produce your final piece. When you have finished your story, self/peer assess using the success criteria and send to the email below by 15th June.

<https://mailchi.mp/talk4writing/home-school-booklets>

Try to also to complete the SPAG FAST FIVE. 2A, 2B and 2C this week. The answers have been included.

Maths

In maths we will be doing some work on algebra. We will continue to use the White Rose planning for this. Watch the tutorials carefully. By the end of the week you will be able to solve some basic equations.

Try to keep up with your I Can do Maths work.

Remember to do the FAST FIVE – try to start each maths session with these like we do in class. When you have finished check your answers carefully.

On Friday we have added a maths investigation <https://nrich.maths.org/1249>
You will need to match fractions, decimals and percentages.

Other curriculum areas can be found by following the links on the timetable.

If you have any problems please contact us on the email below.

Have a good week.

Mrs Denmead and Ms Agostini

Y6homelearning@cardinalnewmanschool.co.uk.

Learning this Week

English: Talk for Writing
Portal story

Maths: Finding rules.
algebra, solving
equations

RE: Reconciliation topic

Science: Musical science
Design a super car

Foundation Subjects:

DT - Design a savoury
dish

Computing - Coding Unit
6

Music – You've got a
friend

Geography – Mapwork

No year 6 birthdays this
Week:

	Monday
8:40 – 9am	Family Prayer using Collective Worship resource sent out
9 – 9:30am	Half-hour physical activity e.g. Joe Wicks PE https://www.youtube.com/playlist?list=PLoFs-pWghQxSEEHr4TZITZtv-oEFhV7ak
9:30 – 10:30	Maths : Y6 Summer Term Week 7 FAST FIVE https://whiterosemaths.com/homelearning/ see website for this week's planning
10:30 – 11am	Morning Break – outdoor activity if possible
11 – 11:30	Spellings : Y6 Week 7 mixed revision list Look Cover Write Check
11:30 – 12:30	English :Begin unit Talk for Writing Door Y6 SPAG 2A Activity 7 - patterns of three, semi-colons and adverbs. https://mailchi.mp/talk4writing/home-school-booklets

3 – 3:30pm	Physical Activity Daily walk / cycle /scoot
	Friday
8:40 – 9am	Family Prayer – Child-led prayer intentions “ We pray for...”
9 – 9:30am	Half-hour physical activity e.g. Joe Wicks PE https://www.youtube.com/playlist?list=PLoFs-pW9hQxSEEhr4TZITZtv-oEFhV7ak
9:30 – 10:30	Maths Investigation on NRICH website Matching Fractions, Decimals and Percentages - https://nrich.maths.org/1249
10:30 – 11am	Morning Break – outdoors activity if possible
11 – 11:30	Spellings : Spelling Test mixed revision list Introduce new spellings
11:30 – 12:30	English: Y6 Activity 10/11 Complete story, edit / assess , send to y6 email. SPAG 2C https://mailchi.mp/talk4writing/home-school-booklets
12:30 – 1:30pm	LUNCH BREAK
1:30- 2pm	Reading
2 – 3pm	DT Make a savoury meal for your family
3 – 3:30pm	Physical Activity Daily walk / cycle /scoot

Additional Ideas to Support Topic Work:

Geography

Consider how you will get to school in September

Draw a map of your route

a/ by car

b/ by train -include the journey to and from the station

DT

Cook a savoury dish for your family dinner. Make sure you weigh out the ingredients carefully..

Science

<https://www.bbc.co.uk/mediacentre/latestnews/2020/blue-peter-supercar-of-the-future>

Blue Peter is teaming up with McLaren, one of the leading car creators in the world, to launch a unique competition asking young viewers to design their ‘Supercar of the Future’.

You are to design a car focusing on materials which can make a car lighter and faster.

Lighter vehicles can give passengers better performance and are also more energy efficient potentially leading to less fuel being used. You will need to consider how your car is powered, the impact on the environment and to describe what materials it is made from. You will also need to choose one outstanding feature of your design and explain why you are proud of it. The judges are going to be looking for designs that are full of imagination, with a great story and we want to see that they have given some thought to the science behind the design too.

Design tomorrow’s supercar competition – the competition closers on Wednesday June 10!

<https://www.bbc.co.uk/cbbc/joinin/bp-competition>
